**MAYES PROPOSED AMENDMENT # 1**

DATE PREPARED: March 2, 5:00 p.m.

COMPANY: Dateland Public Service Company

AGENDA ITEM NO. U-14

DOCKET NO. W-02027A-08-0321

OPEN MEETING DATE: March 3-4, 2009

Page 6, line 4.5, INSERT NEW FINDING OF FACT: "Since Dateland's service area is located outside an Active Management Area, it is not subject to ADWR reporting and conservation requirements. Accordingly, Dateland is not required to comply with conservation goals and management practices of the Arizona Department of Water Resources ("ADWR"). However, in light of the prolonged drought in Arizona, we believe it is reasonable to require Dateland to implement within 120 days of the effective date of this Decision, at least three Best Management Practices ("BMP") (as outlined in ADWR's Modified Non-Per Capita Conservation Program). Only one of these BMP's shall come from the "Public awareness/PR or Education and Training" categories of the BMP's."

Page 8, line 10.5, INSERT NEW ORDERING PARAGRAPH:

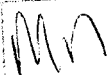

"IT IS FURTHER ORDERED that Dateland Public Service Company shall implement within 120 days of the effective date of this Decision at least three Best Management Practices (as outlined in ADWR's Modified Non-Per Capita Conservation Program) and submit those BMP's to Docket Control within 120 days of the effective date of this Decision. Only one of these BMP's shall come from the "Public awareness/PR or Education and Training" categories of the BMP's."

Make all conforming changes as necessary.
